## April 2018 Newsletter

Greetings,

No turning back now! The drop ceiling in the main hall has been removed, walls stripped, and patching of holes has begun. We expect to tackle some lighting issues this week.

The up and coming general meeting is still on for **Friday, April 13**. Come on out and check on the progress, pay your 2018 dues, and have a closer look at the plaques as they are on tables during the remodelling. The fridges still work, bbq still functioning (thinking of chilli dogs...chilly dogs? For Friday). Maybe we won't need the heat on! But it still works. You can warm up by moving picnic tables.

This past weekend was the 72<sup>nd</sup> Annual Captain's Dinner. The amazing feat of winning the 2017 Efficiency Trophy at the Royal Canadian Henley Regatta by the St. Catharines Rowing Club led to the awarding of 33 Henley pins. Along with the Henley Island Helpers, the Alumni sponsor and award the pins to athletes who win their first Henley Gold. It was a fabtabulous year for SCRC and a testament to the dedication of the directors, coaches, supporters and athletes. Congratulations!!

Mark Thomas missed winning the attendance draw last meeting. So the pot grows. Got to be there to win.

**Saturday morning, the 14<sup>th</sup>, will be a work party.** Bring a rake, a friend, a cleaning rag. Many areas of the Clubhouse are in need of some attention.

Boat Bits:

The cat crew are busy preparing the rowing course for the upcoming season.

The first regattas: Early Bird, April 29

"Jack Nicholson" Head of the Martindale, May 12

SCRC Mother's Day, May 13

There is always a need for more volunteers at all of the coming events at the Island. Want to help? Don't know how? Let me know, I'll steer you the right way.

One more reminder, that dues are due. In some cases, overdue! Let's all be up to date for April 2018.

Hope to see you soon.

Oar & out,

Wayne  
President
